

BIG BUDDHA SPRING 2012 TREND FORECAST

Runway Look...

Color Blocking

Think color blocking is only for the fearless fashionista? Think again! Jump into the hottest fashion trend this season with the **Prep**. This bag owns its name with a mixture of pure sophistication and high fashion. Step up last year's preppy attire with a touch of color.

Trend Worth Trying:

WOVEN BAG

Woven bags always feel right for summer. You'll love the timeless, boho feel of the **Sway** hobo. Try it dressed up for the office or dressed down, for a casual day at the beach. Either way, this woven find will easily become your favorite summertime companion.

WATCH OUT FOR....

Quilted Detail

Looking to give your feminine side a chance to shine through this Spring? Well we have the perfect bag for you - Meet Hailey! You'll love its elegant gold chain, flirty tussle and quilted detail. Plus its soft material and comfortable fit is one more added bonus.
